

It's All About the Animals!

We don't have two hearts, one for animals and one for humans. We have a heart or we don't.

Special Students Helping Special People and Pets

Friends of White County Animals established a Pet Food Bank to help keep pets in good homes with people who love them. We provide supplemental pet food to people who receive Meals on Wheels and Commodities from Upper Cumberland Human Resource Agency. Logistics of repackaging 1500-2000 pounds of food is daunting but Cheryl, one of our Board Members, asked the Special Education Classes at White County High and Middle School for help. These special students with the enthusiastic support of their teachers have turned a challenge into a blessing of connecting our pet food outreach to education about kindness to animals in these classrooms. It is joyful to watch the students and listen to their stories about their pets and their love and compassion for animals.

Cheryl stores the food and manages the schedule and transportation of the food to the classrooms and Carolyn helps in the classrooms and delivers food to individuals needing temporary or supplemental food who are referred to us. My responsibility is to get the food donated and/or purchase and deliver to Cheryl. During commodities distribution Carolyn and Cheryl and volunteers Tony Parker and Jill Haydel give the food to the people based upon the number of pets they have. Donna Parker, board member of White County Humane Society, and I talk to the people and encourage spaying and neutering. I ask about the status of their pets and refer to Donna if they have pets who are not spayed and/or neutered and Donna gives them handouts including transport schedules and contact information from White County Humane Society about programs to help with the cost of spaying and neutering.

We are so grateful to all who are helping keep pets in homes with people who love them!

In Cheryl's words, "We at FWCA are so proud of these kiddos! We love to hear the stories about their own pets as they work on this project. We love to see them working together like a well-oiled machine. They help each other accomplish a task benefiting others with no personal gain and their only concern when we are finished is "When are we going to do it again?" Such pure hearts!"

And Carolyn wrote, "They almost seemed sad when it was over but knew they had "done something good" and couldn't wait for the next time. These wonderful sweet hearts are helping make a difference for someone who loves their pets and just needs a little help from others".

If you would like to help with this mission by donating pet food or monetary funds to continue this project of the pet food bank, please contact us at: Friends of White County Animals, PO Box 6231, Sparta, TN 38583, or visit our website at: www.friendsofwhitecountyanimals.org and hit the "donate now" button. You can also drop off bags of dog or cat food at the White County Farmer's Co-op or purchase pet food at the Co-op and receive a 10% discount and donate in our FWCA collection bin located at the Co-op or drop off dog and cat food at Dog and Company locations in Cookeville or Sparta.

Your subscription to our Newsletter is appreciated and communicates to us that you care about animals and want to help.

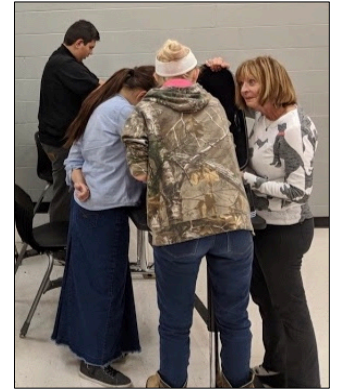

Thank you for Loving the Animals!
